Your Opinion is Important to Us

The members of the Millburn Police Department are committed to providing law enforcement services that are fair, effective and impartially applied. The Department has formal procedures for investigating complaints against both the agency and its members. At times, a complaint is based on a misunderstanding of accepted law enforcement practices or the duties of the officer or other agency member. Many times this type of complaint is quickly resolved after speaking with a supervisor. All complaints are reviewed by the Internal Affairs Unit.

Complaints may be filed 24 hours a day, seven days a week, either in person, telephonically, in writing or by e-mail. Complaints are accepted from any source and complainants are not required to give their name.

Additionally, complaints may be filed directly with the Internal Affairs Unit by calling (973) 921-2832. A voice mail system is provided. Persons wishing to use e-mail may direct their correspondence to internalaffairs@millburntwp.org

Please include as much information as you can remember, such as:

- Date, time and location of incident
- Name and badge number(s) of the member(s) involved
- Names, addresses and telephone numbers of any witnesses
- Circumstances of the incident

All complaints, including anonymous complaints, will be thoroughly and objectively investigated. Complainants will be notified of the outcome of the investigation.

Persons wishing to compliment the Millburn Police Department or its members may do so 24 hours a day, seven days a week. Those wishing to note a positive experience in writing are asked to mark their letter to the attention of the Chief of Police.
