Children pre-school through second grade are invited to participate. Pre-schoolers will hunt on the tennis courts, kindergarten children on the open lawn north of the tennis courts off Whittingham Terrace and first and second graders will be looking for eggs on the softball field at the corner of Whittingham Terrace and Ridgewood Road.

Prizes will be awarded to the children in each category who find the “special” eggs. One special prize per child. Hunt will be held rain – shine – or snow, and outdoors if at all possible – please dress appropriately.

Children should bring their own basket/container to hold the eggs they collect.
