

Guiding Questions for Small Groups Meetings

1. What is your perception of how Downtown has been affected by the Covid crisis?
2. What commercial activities/uses are missing from Downtown that you wish were present?
3. What are the improvements that would make for a better shopping/dining experience Downtown?
4. Are there specific locations or intersections where you do not feel comfortable while walking Downtown? What kind of improvements would you support for these locations?
5. Are you in favor of the Township investing in improved and higher-quality public spaces, such as a river walk, wider sidewalks, tree planting, etc.?
6. Would you support more development Downtown to help support its economic health for the future and provide a wider variety of housing options for Millburn residents? If so, where could it go, and what is the scale you feel is appropriate?
