

LIGHT OUR FIELD

FUNDRAISING CAMPAIGN TO BENEFIT MILLBURN YOUTH SPORTS PROGRAMS

Dear Millburn Recreation Supporter:

Millburn Township has built a beautiful new turf field behind the Millburn Library and we have launched a community fundraiser to “Light Our Field”. Adding permanent lights will enhance the experience and enjoyment for our players and provide more use of the field for multiple town youth programs supporting Kindergarten through 8th Grade.

The estimated project cost is \$300,000 to install state of the art LED lighting which feature minimal light spillage and low energy consumption. During the fundraising effort, we have received many generous donations from families in Millburn Township, Millburn Soccer Club, Millburn-Short Hills Lacrosse Club, and Millburn High School Boys/Girls Lacrosse and Field Hockey Booster Clubs.

In addition to those donations we have a commitment from a local business for a \$100k donation, a \$50k commitment from Township of Millburn capital funds and a \$25k commitment from Millburn Joint Facilities funds. We are getting close to the \$300,000 needed to complete the “Light Our Field” project, but we are writing to ask for your assistance in helping us raise the remaining funds to make the lights a reality.

You can make a tax-deductible donation by either sending a check payable to the Township of Millburn and in the memo section write “Library Light Donation” and mail to: Millburn Recreation Department, 375 Millburn Avenue, Millburn, NJ 07041 or online via your credit card by [clicking here](https://www.twp.millburn.nj.us/LightOurField) or visit [twp.millburn.nj.us/LightOurField](https://www.twp.millburn.nj.us/LightOurField).

Those that make a tax deductible donation will be recognized by the Township’s “Light Our Field” Fundraising Committee with recognition levels detailed below. The committee is comprised of representatives from the Millburn Recreation Commission, Millburn Soccer Club, Millburn-Short Hills Lacrosse Club, Millburn Recreation Field Hockey program as well as Recreation Department staff.

If you are able to contribute, please do so by August 15 as we are planning for a Fall 2021 project. Thank you for your generosity and involvement.

COMMITTED

Participation Level	Recognition Benefits and Opportunities
\$100,000	Gold Sponsor - Name on sign at field and on sign at parking lot entrance to field plus other recognition below
